Mr. John Tolpel
Deputy Director of Public Works
City of Dallas
2721 Municipal Street
Dallas, Texas

Dear Mr. Tolpel:

It has been brought to my attention that you extended great assistance to Special Agents of the FBI on August 5, 1964, in connection with the removal of a portion of the curb on the south side of Main Street in connection with the investigation into the assassination of President John Fitzgerald Kennedy.

Your full cooperation and assistance in making available men and equipment under your supervision in 100-degree heat to assist this Bureau in fulfilling its responsibilities was most helpful and sincerely appreciated. I certainly want you to know that without your cooperation and assistance, we could not have accomplished the task at hand.

Very truly yours,

J. Gordon Shanklin
Special Agent in Charge
